

Meal Charges

The following guidelines are followed for students with meal charges.

STUDENTS

Students are expected to have funds available for the purchase of their meal. However, they are allowed to charge up to three regular hot meals on their accounts. Once a student's account exceeds three regular meals, a negative balance letter will be sent home and the household will receive a phone call from the cafeteria manager informing them of the negative balance. Parents will be informed that their child will be encouraged to take a lower cost meal until the balance is paid. A lower cost meal is a cold ham and cheese sandwich available on the serving line to all students, the student may select a fruit, vegetable, and milk with their sandwich. Students are not allowed to charge extra items if funds are not available.

ADULTS MEALS: Adults are expected to make payment at time of purchase. Teachers and staff may charge up to \$10.00 on their account; once \$10.00 has reached, they will not be allowed to charge any more meals. Staff may make prepayments into their cafeteria account. Please see your cafeteria manager to establish a new account
