

SHAC INVITATION

WEDNESDAY September 23, 2020

The mission of the Medina Valley ISD School Health Advisory Council is to assist the District by ensuring the community values and health issues are reflected in our curricula, programs, and policies. Please assist us in promoting healthy lifestyles and a healthy learning environment for the students and staff of MVISD.

Meetings are conducted at a minimum quarterly. Parents, community members, MV staff, and students are invited to attend.
