

How to view a copy of your dental identification (ID) card

What do I do if I need to visit the dentist's office and I haven't received my member ID card?

You will have access to view and print your dental ID cards via the website or mobile app within 10 working days of enrollment.

Here's How

- » Go to **Humana.com** and sign in/register for MyHumana (Have your Humana member ID or Social Security number available)
- » Click "Access your ID Card" under "Tools & forms" in the lower right of your MyHumana home page or in the page's footer under "Tools & Resources"
- » A new window will appear with links to the ID Card or Proof of coverage
- » Print if desired

The screenshot displays the MyHumana website interface. At the top, there are navigation links for Member Support, Español, Account & Settings, and Sign out. Below this, there are tabs for Coverage, Claims & Spending, Get Healthy, and Earn Rewards. The main content area shows a welcome message for Theresa, a Silver status member with 2,306 Vitality Points. There are icons for calendar, support, and pharmacy. A Communication Center notification is visible. The 'Your active coverage' section includes Medical (0 claims in the past 90 days), Dental (View dental claims), Pharmacy (View pharmacy claims), and Vision (Coverage & benefits). The 'Tools & forms' section is highlighted with a yellow circle and an arrow, listing options like 'Access your ID Card', 'Cost comparison tools', 'Download My Data', 'Drug pricing tool', 'Printable drug lists & forms', 'Rx Calculator', and 'Update other medical insurance'. The footer contains a grid of links under 'Humana.' with 'Access your ID Card' also highlighted and circled in yellow with an arrow.
