

Please post this announcement in your local bulletin/periodical until September 25th.

The Medina Valley Middle School, Loma Alta Middle School, and Medina Valley High School will begin the referral process of identifying gifted and talented students in 6th-12th grades. Referrals will be accepted until September 25, 2020, and assessment will occur in early October. Parents, teachers and any other person familiar with the student's exemplary academic skills may refer a student for further evaluation.
